The site you are looking for was migrated over a year ago. We asked the site collection admins to contact/alert/inform the users about the new URLs – it seems you were overlooked in their communications.

Please try this URL <https://organization.ds.irsnet.gov/sites/dcse/sbse/srm/hr/hrd/learning/coursedev/35888>

Keep in mind that we do not manage/administer any permissions associated with this site.

Thanks,
Mike Fenili

Subject: migrated website

Hi

Can you tell me where the old sharepoint site was migrated to? Or does it just disappear?

<http://wsep.ds.irsnet.gov/sites/co/dcse/sbse/srm/hr/hrd/learning/coursedev/35888/default.aspx>

Thanks
